2022 Research & Case History Rewards Program

Get rewarded and recognized for the hard work you already do!

WHAT?

Submit a new case history or study that includes the use of any Naturalake Biosciences products.
All submissions must:

- Include pictures
- Include a summary of the objective and results
- Be submitted by December 1, 2022

HOW?

Email submissions to info@naturalake.com with "2022 Research & Case History Rewards Program" in the subject line.

WHY?

We want to recognize and reward you for the hard work you do every day.

*Submissions will be judged on a combination of factors including but not limited to: data quality, picture quality, clarity, and creativity.

**Submissions must include signed authorization forms to be eligible.

1ST PLACE
(Determined by Naturalake Biosciences)

- Receive a $1,000 credit toward Naturalake Biosciences product. (valid in 2023)
- Receive a $1000 Visa gift card

3RD PLACE
(Determined by Naturalake Biosciences)

- May be recognized and featured on www.naturalake.com and social media platforms
- Qualified entries will receive a $200 Visa gift card

GET CERTIFIED!

For those companies that truly exemplify all that is Naturalake Biosciences, we're proud to announce the Naturalake Certified program!

Participants in this program will be able to show their customers that they are both educated in and dedicated to the science behind healthy, balanced ponds and lakes.

To help you display this, Naturalake Biosciences will provide a certificate of your membership in the Naturalake Certified program as well as stickers of the seal and a digital media kit for use on your website and in marketing.

Visit www.naturalake.com/certified or contact info@naturalake.com with any questions.
